

COOKIE FILES USAGE POLICY

Sky FRU LLC respects the confidentiality of its customers' information and undertakes to protect any personal information provided by users through the internet website. The information below helps users understand what information Sky FRU LLC collects through the website, mobile application, and how this information is used.

Sky FRU LLC also recommends reviewing the Privacy Policy.

By visiting and using the Sky FRU LLC website, the user acknowledges, without any restrictions or reservations, that they have read, understood, and agree to the rules and conditions of this Policy and therefore agree to the use of cookies in accordance with this Policy.

Users may visit the Sky FRU LLC website for their own interests. The Sky FRU LLC website uses cookie collection to provide users with maximum convenience.

“Cookie” is a small text file stored on the user's device and intended to ensure convenient website usage and save time.

The cookies collected by Sky FRU LLC do not contain information that can be used to identify individuals.

Cookies may be persistent or session cookies

Persistent cookies are stored by the browser and remain active until the expiration of their storage period:

- at the end of a session (for example, when the browser is closed);
- when the expiration date has been reached;
- when the browser deletes cookies upon user request.

Session cookies become invalid after their expiration period. Sky FRU LLC uses both session and persistent cookies on the skyfru.kg website and all its subdomains.

Purposes of cookies and tags used by Sky FRU LLC:

1. FUNCTIONAL COOKIES

Anonymous cookies that allow users to navigate the Sky FRU LLC website, use its functions, and access protected sections.

They also facilitate website navigation and are used for the following purposes:

- remembering the selected country and providing relevant content;
- remembering the departure airport when booking a flight;
- ensuring the proper functioning of the website.

Information collected by these cookies is not intended for marketing purposes.

If the use of this type of cookies is disabled by the user, some sections of the S7 website may be unavailable to the user.

2. TARGETED AND/OR ADVERTISING COOKIES

These cookies are used to deliver different versions of web pages for marketing purposes and are also used for the following:

- showing relevant and personalized advertisements;
- limiting the number of impressions of each type of advertisement;
- determining the effectiveness of advertising campaigns;
- remembering visited website pages, ticket bookings, ticket searches, and providing collected data to third parties, such as advertisers.

These cookies are often associated with website features provided by relevant third parties.

3. THIRD-PARTY COOKIES

These cookies are also used to deliver different versions of web pages for marketing purposes and are used for the following:

- showing relevant and personalized advertisements;
- limiting the number of impressions of each type of advertisement;
- determining the effectiveness of advertising campaigns;
- remembering visited website pages, ticket bookings, ticket searches, and providing collected data to third parties, such as advertisers.

These cookies are often associated with website functions provided by relevant third parties.

Cookies are not dangerous for your device, as they are simply text files and not executable programs.

You may configure your browser to accept cookies or use the Sky FRU LLC website without these functional capabilities.

In the latter case, the text data you enter in forms cannot be saved for future searches, and upon your next visit to the Sky FRU LLC website you will need to enter the information again. Unfortunately, the Company will also not be able to prepare and offer you convenient content.

To delete stored browser cookies, you may open the links below to find instructions for your browser:
